

Shine your light on me

Wayne Rogers

C **G** **A^m** **F**
Shine your light on me
C **G** **F** **G**
Illuminate all the eye cannot see
C **G** **A^m** **F**
Shine your light on me
C **G** **F**
Come in and set this heart free
 C **G** **A^m** **F** **C** **G** **F**
Shine your light on me

C **G** **A^m** **F**
My actions have betrayed so many things I've said
C **G** **F**
Sometimes I don't follow through
C **G** **A^m** **F**
I stand before you now with nothing good to bring
C **G** **F**
Crying out for Your mercy

C **G** **A^m** **F**
Please search me now, the parts that are unseen
C **G** **F**
Take your holy fire and purify me
C **G** **A^m** **F**
Take this heart of stone, make it soft once more
C **G** **F**
Whatever it takes to break these chains
